Red House 4H Club News

Reporter: Kaylee Harvey

The December meeting of the Red House 4-H club was held on Wednesday, December 6th at The Alley from 6-8p.m. Attendance was taken as members arrived. Instead of a gift exchange all member donated items for the residents in the nursing home and also non-perishable items for the House of Hope. These items were delivered the following Saturday morning. Members enjoyed a fun evening of fellowship, bowling, and pizza. Record books are to be turned in at the January meeting on Wednesday, January 3rd. If you need help filling out your record book, please get in touch with Nikki.
