Trailblazers 4-H Club News

Reporter, Silver Meyers

Trailblazers 4-H Club skated in February 2025 at the JTF Ice Rink in Grantsville. Our president, Samantha German, reminded members of official Club Communication being our paper agenda. It was reviewed that Morgan, Emily and Erica are our organizational leaders that will notify club members of any updates via phone call, text or email.

Next, our Trailblazer members reviewed public speaking opportunities for our March meeting. Members will be judged on their prepared speech, radio spot or extemporaneous speeches. Trailblazers will also have the opportunity to be involved in an after-school program, "Keeping Your Kids Safe and Healthy" at Yough Glades Elementary on March 6th from 5:30-7:30, where two of our members will host a 4-H information table.

We reviewed that as of today, our Trailblazer club consists of 21 families; 32 enrolled youth members; and 4 certified volunteers.

Members then showed their ice-skating skills or lack thereof on the ice rink. Afterwards they enjoyed snacks and hanging out with friends.

Our next meeting will be public speaking, March 18th at 6:30 at Crellin Elementary School. For more details on joining 4-H please reach out to your local extension office.
