## Trailblazers 4-H Club News

### Reporter, Silver Meyers

Trailblazers 4-H Club members conquered their fears and calmed their nerves, as they mastered public speaking in a crowded Crellin Elementary School cafeteria. Members were judged on their prepared speech, radio spot and extemporaneous speeches. Our president, Samantha German, reminded eligible members to apply to Maryland 4-H scholarships. It was reviewed that May 9th will be Spring Weigh in and May 10th will be the Western MD District Show.

Our next meeting will be a bowling outing at The Alley, Tuesday, April 15th at 6:00 pm. For more details on joining 4-H please reach out to your local extension office.
