Red House 4H Club News

Braden Harvey, Reporter

The April meeting of the Red House 4-H Club was held on Sunday, April 6th at the Ag Heritage Hall during the Achievement Program.

The club voted during the last meeting to have the April meeting during the Achievement Program instead of at the regular meeting place. During the program, all members who completed their record book for the 2024 year were recognized for the projects they completed and the new members were also recognized. The club received two awards during the program as well. We got the Achievement Quality and Recognition Level and Garrett County 4-H Fair Club Award for 2024.

Under old business all members were reminded of when their health checks would be and given a paper to fill out to help make it easier for the vet. Members will have health checks either April 19th or the 26th. Spring weigh in and the District Show will be May 9th and 10th at the fairgrounds. All members should have signed up for a time slot to weigh in and if not, they need to do it ASAP.

Under new business if you have a rabbit that needs a tattoo someone will be at the fairground Friday, May 9th starting at 6:00 pm. Owners are encouraged to come prepared with a specific identification they would like tattooed in their rabbit.

The next meeting will be held at our regular meeting place on Wednesday, May 7th starting at 5:00pm for the graveyard clean up. We will also have a speaker from the health department at 6:00pm.
