

Maryland 4-H State 4-H Dairy Skillathon Contest: General Rules

Objectives of the 4-H Dairy Skillathon

The primary objective of the Maryland 4-H Dairy Skillathon Contest is to provide an opportunity for youth enrolled in 4-H to demonstrate the breadth of their knowledge and understanding of animal science and management in a competitive setting where attitudes of friendliness and fairness prevail. The practical application of the contestants' knowledge and skills is emphasized. The contest's coordinators strive to provide an educational experience for participants as well as an opportunity for the creation of new friendships.

The 4-H Dairy Skillathon offers age-appropriate quizzes and stations that are designed to test youth knowledge of the dairy industry. The stations will include visual diagrams and questions to demonstrate dairy related knowledge.

General Rules

1. Contest date and time: **Saturday, March 25, 2023, Check in begins at 9:30 AM and the Contest starts at 10:00 AM. The 2023 contest will be held at the Carroll County Extension Office, Westminster, MD.**
2. **This is a contest in which individuals compete. There will be NO team entries.** There will be a \$5.00 entry fee for each contestant. 4-H members wishing to participate should contact their county/city 4-H office. Official registration for the contest is submitted via the 4-H Online registration system by March 10, 2023.
3. There is no limit to the number of individuals that each UME unit may register for this contest. **Individuals participating in the statewide contest must be enrolled as a Maryland 4-H member for 2023 in 4-H Online by March 10, 2023. Contest registration must be submitted via the 4-H Online registration system by March 10, 2023.** County offices must verify registration. Counties will be invoiced for entry fees based on the total number of registered participants from their programs.
4. Statewide competition will be by the prescribed procedures and regulations found in this document. Additional rules may be added for specific purposes. Contestants not complying with the rules will be disqualified. Coaches and/or parents not complying with the applicable Procedures and Regulations will be dismissed from the contest area. All challenges to the contest, including stations, official's decisions and results, must be submitted in writing to the State 4-H Youth Development Specialist for Animal Science within 24 hours of the contest.
5. Spectators will not be permitted in the contest rooms during the contest. Additional details will be provided during the Contest Overview before the contest begins.

Contestants and Eligibility

1. All Contestants must be enrolled in 4-H online by the contest entry deadline and approved by the 4-H Extension Educator of their respective UME unit.
