### Livestock Sale Update

---

**ALL 2022 Carroll County 4-H & FFA Livestock Sale Exhibitors are responsible for transporting their 4-H & FFA Livestock Sale project to the processor of their buyer's choosing.** Please read the attached information carefully (you signed a carbon copy form at weigh-in or when you submitted livestock registration forms). All exhibitors will be required to sign and return the form if they intend to sell in the CC 4-H & FFA Livestock Sale. In addition, the Livestock Sale Committee voted to decrease their commission from the original 6% to 5%. Hopefully, this will help exhibitors offset transportation costs to processors. Finally, beginning this year, the **CC 4-H & FFA Livestock sale will start at 4:30pm**. The buyers picnic will run from 5-7pm. Please refer to the livestock sale rules found on the fair website for additional information. If you have questions, please do not hesitate to email us at [sale@carrollcountyfair.com](mailto:sale@carrollcountyfair.com)

### Livestock Buyers Letters

---

It's never too early to start contacting potential buyers for the livestock sale! Remember, it's your responsibility to find businesses and/or individuals to come to the sale and support your 4-H project. The more time you invest in finding a buyer may pay off for you at the sale! Information was included in the weigh-in packets with ideas for advertising your 4-H projects to potential buyers.

It's time to get ready to go out and see some horses! Horse Judging is a fun and educational program to learn more about horses in general. If you have questions, feel free to call the Extension Office. **Remaining practices start at 7pm.**

The state horse judging contest will be held on Saturday, June 11th at the Howard County Fairgrounds.

## Project Record—2022 Update of Requirement

In 2022, all project records that are completed will be held to meeting all standards, including the communication section. Remember, that 4-Hers must present a speech or demonstration to 3 or more people not related to them to meet this requirement. *This is a speech or demonstration the youth has given, not something they attended.* Don't forget that participating in programs such as skillathon, bowls, and judging programs count toward this requirement. The Extension Office has been lenient of this project record requirement since 2020, but with clubs and programs happening again in-person, all project records submitted MUST have a communication piece. If you have questions, please contact the Extension Office at 410-386-2760.

## Congratulations Junior Ambassadors

---

Congratulations to our newly named 2022-23 Junior Ambassador Team! These 4-Hers went through an application and interview to be selected to serve on this year's team. Make sure to tell them Congratulations the next time you see one of them.

## Maryland Park Service Youth Group Pass

---

The office now has a Maryland Park Service Youth-Group Pass available for check-out! Call the office to learn more!

The Maryland Park Service Youth-group Pass allows free day-use entry into Maryland state parks. The pass also entitles youth groups to camp in those parks that have designated youth group areas, subject to site availability. In order to camp, all groups must have a valid Maryland Park Service Youth-group Pass and must make a reservation.

A few things to be aware of:

- Usage excludes weekends and holidays from Memorial Day through Labor Day.
- Maryland Park Service reserves the right to restrict the maximum number of vehicles and individuals admitted under one Youth-group pass per visit.
- A minimum ratio of one adult supervisor for every five youth is required (may be waived by the facility manager).
- The minimum allowed age of group members is 6 years old and the maximum allowed age of group members is 18 years old.
- Family members that are accompanying the group, but not part of the leadership of the group, may be subject to additional service charges.
- Service charges for special facilities such as shelters, boat concessions, reservations and special events are not covered by the youth pass.

For more information, and to see a list of parks open to Youth-group camping, visit the following link:

<https://dnr.maryland.gov/publiclands/pages/youthcamp.aspx>

Congratulations!

Reminder

## UME Volunteers

---

When completing the volunteer enrollment, remember this is a two-step process. Step 1 is the enrollment which leads into step 2, the screening process.

Please note that the state will be approving the screening section of all volunteers once the background checks have been completed and before the county office can approve enrollments. **There was a March 1st deadline of completing your re-enrollment to be covered under the Maryland Tort Claims Act which provides you coverage (if ever needed) as a UME Volunteer.**

Also, we are required by UME/Maryland 4-H volunteer policies to have volunteer position descriptions signed every 3 years. Many volunteers will need to sign their position descriptions again. Be on the lookout in your mail and return to the Extension Office to ensure that we have all your information up to date in the office.

## UME Volunteer Training

---

If you aren't already a UME Volunteer, make plans to complete the training in 2022. Just email Becky (bridgewa@umd.edu) and you can complete all of the required paperwork and training directly from your home. Trainings can be completed at anytime!

## Carroll County 4-H All Stars Can Now Stay Up-to-date Through Facebook!

---

Congratulations to Shannon Haines, Ashley Barber, Lesa Ramsburg, and Marissa Roberts who received invitations to join the Maryland 4-H All Stars! Each of these volunteers and 4-Hers has an extensive record of leadership and citizenship within the county program, as well as the state. If you see one of these individuals, please congratulate them on this terrific accomplishment. Our next meeting will be on **Thursday, June 9th** immediately following the Carroll County 4-H Volunteer Council which begins at 6:30pm. We hope to see all of you there!

## Children's Day 2022 at the Fair—4-H Clubs are Invited to Participate

---

Attention all 4-H and all FFA clubs! The fair will once again be hosting Children's Day on Tuesday, August 2nd, from 9:00 am to 2:00 pm and we need your help! In previous years, more than 1,200 children have attended this event at the Carroll County Fair, and this success has been due to the participation of 4-H clubs, members, and volunteers!

We are asking that clubs sign up for a make-it and take-it craft table as in the past or to volunteer. The tables or stations can be 2.5 hours or all-day (5 hours) time slots. When preparing these games and crafts, we ask that you keep agriculture, farming, and 4-H in mind. Remember that these activities should engage our youth and encourage them to stay for the day! If you or your club would like to help with Children's Day, but cannot attend that day, please consider a donation instead. You could provide a monetary donation, a donation for goodie bags, or items such as face paints, crayons, etc.

We hope that your club will be able to participate in some way, as it will be a wonderful opportunity to promote and educate young children and their families about the great 4-H program and agriculture here in Carroll County! To sign up for a make-it and take-it table, to volunteer, or to provide donations, please follow this link: <https://tinyurl.com/CCChildrensDay2022>

Thank you so much for your time, and we look forward to working with you!
