Positive Youth Development (PYD) Programs

“Together we help young people be ready for work and life.

The 4-H PYD - Positive Youth Development - Academy provides learning opportunities to equip 4-H and other educators with the essential knowledge and skills to plan implement and evaluate high-quality positive PYD programs that help youth thrive.

The 2025 4-H PYD Academy Beyond Ready series—an immersive virtual learning experience, is designed to strengthen your PYD practices, connect you with like-minded professionals, and empower youth to thrive. While Beyond Ready introduces innovative approaches to preparing youth for work and life, it is firmly rooted in the proven principles of high-quality PYD.

The multi-day conference is dedicated to understanding the developmental needs of youth and addressing retention challenges within 4-H programs. The Immersion series builds on the insights from the conference, offering actionable training tailored to 4-H professionals”.

2025 Inbound Opportunities

Are you interested in other countries? Would you like to welcome an international student into your home? Host families come in all shapes and sizes

and reflect the diversity of the United States. What they have in common is their eagerness to open their homes and hearts to a young person from another culture. Our families are warm, welcoming volunteers who are proud to share their American culture and lifestyle.

States' 4-H accepts applications from host families year-round for the month-long and yearlong programs.

For more information visit <https://www.states4hexchange.org/apply/host/>

Terp Young Scholars

Applications opened January 7, 2025 and will close June 1, 2025

The Terp Young Scholars will take place in College Park from July 14 to August 1, 2025.

The program provide the participants the experience of learning how to navigate the college experience with the University of Maryland's Terp Young Scholars. The participants have the opportunity to take college courses in person or online. The students select one three-credit course (offered either in-person or 100% online). Classes are held weekdays, Monday - Friday, with meeting times varying according to the specific course.

Domestic Applicant Eligibility

- Applicants must be a rising high school sophomore, junior, senior, or graduating senior; and

- Applicants must have an unweighted academic average of 3.0 or better.
 - If there are extenuating circumstances that have negatively influenced an applicant's GPA, submit a GPA Exception Appeal prior to submitting the Terp Young Scholars application.

 - Submit Exception Appeal: Complete the [GPA Exception Appeal form](#). The form requires an upload of your high school transcript, a

letter of support from a high school teacher/administrator and a statement attesting to how you plan to succeed in the program.

Select Commuter or Online Option

Applicants who select a course offered through in-person instruction must participate via the Commuter Option. Terp Young Scholars does not offer a residential option.

- Applicants who select a course offered through 100% online instruction must participate via the Online Option.

Applications open January 7, 2025 and close June 1, 2025

CLOVER BY 4-H

Whether you are new to 4-H or you are a 3rd generation 4-H'er, you may not have heard of CLOVER by 4-H. This is different from a cloverbud or a clover program. Instead, CLOVER by 4-H is the National 4-H Council's catalog of interactive online classes! There are classes for ages 5-18 and on any topic you can imagine from financial literacy to agriculture to cooking.

If your child is under 13 years old, a “parent account” is required to assist with monitoring your child’s online activities.

Club Leaders can also sign up for CLOVER by 4-H and can view all of the content to find potential club activities and even manage multiple learner accounts for their clubs.

In addition, the very best part is that CLOVER by 4-H is free!

Enhance your 4-H experience by trying CLOVER by 4-H. You may just find your new passion!

CLUB CORNER

MoCo Sunny STEM 4-H Club

By Caitlin Y.

Derwood, MD – Members and volunteers of the MoCo Sunny STEM 4-H Club recently participated in an enlightening "Introduction to Small Engines" workshop at the Montgomery County 4H Office. The event provided a comprehensive overview of engine mechanics and maintenance, fostering both knowledge and camaraderie among participants.

During the workshop, two experienced coaches were introduced to the fundamental components and workings of small engines. The attendees learned to identify various engine parts, understand how an engine operates, and recognize essential tools. The workshop included a hands-on portion, which involved disassembling and reassembling engine parts, troubleshooting common issues, and gaining insight into proper engine care and maintenance.

Overall, the workshop was a valuable opportunity for the MoCo Sunny STEM 4-H Club members to deepen their understanding of small engines while enjoying the sense of community that 4-H fosters.

Kids N Dogs Club

By Clara R.

In November, the Kids N Dogs Club hosted a booth at Seneca Creek State Park's Walk and Wag event. The booth gave out treats and dog toys, along with some fun trivia questions. To make their booth unique, they helped people at the event make custom ornaments with their dog's paw prints on them.

In January, the club had its first meeting of the year, with its' new officers, at Warrior Canine Connections (WCC). The club discussed their ideas for upcoming events, such as the Agility Fun Match and Dog Skillathon. Afterwards, the members interacted with WCC's future canine service dog puppies!
