GCLA Update

The Garrett County Livestock Association allows a member to attend two make-up meetings. There are four opportunities that can count as a make-up meeting, three of which are upcoming:

1. Attendance to help set up for Spring Weigh-In and District Show-May, 2nd @ 6 pm at GC Fairgrounds
2. Showing a market animal at the Garrett County District Livestock Show
3. Fair clean-up and preparation (date to be announced)

Poultry Exhibitors—Testing Date: All poultry, both in state and out of state poultry, must be tested for Avian Influenza within **30 days** prior to entry or originate from a NPIP Avian Influenza Clean or Monitored flock (or 21 days for out of state birds). Avian Influenza testing will require 15 birds or all birds in the flock if fewer than 15 birds from the exhibitors flock. Those individuals planning to bring poultry to the Garrett County Agriculture Fair are reminded that all poultry for exhibition must meet the Maryland Department of Agriculture requirements. To assist with this process, arrangements will be made for the testing to be done on **July 9th from 4:00pm—7:00 pm at the Garrett County Fairgrounds in the rabbit barn**. Cost for the testing is \$25.00 per flock to be paid at the time of the testing.

Information needed:

1. Source of birds-hatchery, raised or other.
2. The age of the birds.
3. The number of birds in your flock. Leg bands will be affixed upon testing. Please call 301 334-6960 to register for the testing by **July 4, 2024**.

The 2024 program must be completed using Firefox, Chrome or Safari web browsers. The program is not supported by Internet Explorer. The program contains two levels, a Junior-aged Level and an Intermediate/Senior-aged Level. The program automatically directs members to the correct level based on their birthdate.

4-Hers are required to complete the on-line training program:

- If this is their first year as a 4-H member
- When they reach each 4-H age division (juniors (8-10), intermediates (11-13), seniors (14-18) – all as of January 1 of the current year)
- When an Intermediate or Senior 4-H member chooses to show a new species since last completing the program within their age division - they must return to the program and complete it for the new species area (The Junior program does not have species specific sections like the Intermediate/Senior program does). Passcodes issued in 2018-2023 should still be viable for returning members. Passcodes may be retrieved by clicking on the "Forgot Your Passcode" link on the AH&QA homepage.
