Red House 4H Club News

Kaylee Harvey, Reporter

The Red House 4-H club held their December meeting at The Alley on December 4th. This meeting was our Christmas party, and we were able to enjoy an evening of bowling and pizza with friends. Members gathered items for a gift basket for a child that is in the hospital to help them pass the time while there. We also were given raffle tickets to help a family in the community during a difficult time. Wednesday, January 1st and members were reminded that record books are to be turned in at the meeting.
