

Frederick County - Soil or Forage Probe Use

Date _____
Name _____
Phone Number _____ Email _____
Address _____

\$100.00 Deposit Cash _____ Check _____ (made payable to: University of Maryland)

Forage _____ Soil Probe _____ Soil Probe # _____ (filled out by the Extension office)

____ I understand that I must return the property within 2 weeks.

I understand that if the forage or soil sampling probe is not returned within 2 weeks, my \$100 deposit will then be relinquished and I will no longer be eligible for further forage or soil sampling probe loans from the University of Maryland Extension.

____ I understand that I must follow University of Maryland Extension's soil sampling procedures (not the lab's). I understand that under no circumstance should another implement be used to strike or force the soil sampling probe into the ground or forage probe into a hay bale (forage probe is used in connection with a drill). Some examples of what not to use are: a hammer, a piece of wood, a pipe or other metal tool, front-end loader/tractor attachment.

By initialing the above boxes, you are agreeing that you have read and understand the above statements and agree to these terms.

Returned date _____ (filled out by the Extension office)

Returned deposit (signature of borrower) _____

Probe received by _____
