North Glade 4-H Club Madelyn McKnight, Reporter

The North Glade 4H Club met on April 17th at the club building. While the clovers made a craft, the 4-H members discussed new business. President, Autumn Custer and Vice President, Matthew Stoner handed out certificates for record book completion to club members who were unable to attend the Achievement program. Upcoming spring show and weigh-in was discussed and members were reminded to be sure to have veterinarian checks completed ahead of time. The club would like to thank veterinarian, Jennifer Barnard, for volunteering her service to provide veterinarian checks for our club members. As a former 4-H member, Jennifer is dedicated to serving her 4-H community each year and is greatly appreciated. The Rose Hill Cemetery Cleanup day was discussed and dates set for early May. The next meeting will be held on May 15th at 6pm at the club building.
