

Ask A MG Tally Sheet - Indirect Event

Indirect events, like tabling events, ONLY require a count of how many people interacted with MG Volunteers and/or any reference materials or activities on the table. DO NOT collect demographic (race, gender, etc) data.

Please send your attendance to Robin Costas (costasrt@gmail.com) as soon after your sessions as you can.

This enables us to publish our weekly results as soon as possible. Thank you!!
