Trailblazers 4-H Club News

Trailblazers 4-H Club kicked off 2025 with a pizza party compliments of Brenda's Pizzeria! Our new officers took the lead: President-Sammy, Vice President-Cais, Secretary-Krista, Treasurer-Dani, Reporter-Silver and Activity Leaders-Rae & Peyton. We welcomed new members, Morgan & Oliver and Kira, who returned as volunteers to run our clover program for the evening. Diane & Kay stopped by to share details on the upcoming Beyond the Stars Jackpot Show.

All our Trailblazer members & parents took part in planning our schedule & activities for 2025. Events we have coming up and looking forward to including ice skating, public speaking, bowling, nature & wildlife presentation, farm tours and more. Our club made plans to host a petting zoo at a local community center and more community service events. Members turned in their record books & enrollment information and enjoyed pizza while visiting with their friends.

Our next meeting will be ice skating on Sunday, February 16th from 6:00-8:00. For more details on joining 4-H please reach out to your local extension office.
