CLUB CORNER

Damascus Community 4-H Club

By Anvita D.

On October 24, the Club had their Club Harvest Party! Many people showed interest in the Club during the recruiting drive at the Damascus Community Fair, and were invited to join the Club. It was a fun night for all the kids and parents. It was a potluck party with lots of delicious food for everyone to enjoy. The kids had fun playing games such as manhunt, which is like hide and seek go! Some of the older kids also got together and decided to play some scarier games because Halloween was just around the corner. The adults

hung out by the campfire, talked to the new families, and helped with the setup and takedown.

On November 4, the Club had the new member meeting. The Club members brought items they made or items that represented the different project groups

the Club had. There were also demo boards with more information. The Foods and Baking project groups even brought some Covid safe snacks for the kids to make and snack on. The project group leaders were around and talked about what each group did. The meeting was a huge success with many families attending.
